

Trojan Tactical Loader from AeroTech Defense

A cost effective, towable tactical cargo loader for fast, efficient single military pallet cargo transfer to C-130 and other fixed wing and rotary aircraft.

An Oshkosh Corporation Company

Defense

When support IS the mission

The towed Trojan Tactical Loader is designed to interface with pallet dollies, K-Loaders, C-130, C-235, C-295, C-27, Mil-8 and other aircraft. With a maximum payload of 10000 lbs (4545 kg), a tow speed of 12 mph (20 kph), and a fully powered load platform, the Trojan loader is an ideal, cost-effective cargo transfer option.
